The Project 1999 Wiki is not maintained by the P99 staff and may contain inaccuracies between the emulator server, forums, live EverQuest, and reality... This is a wiki for a reason. Anyone can contribute (this means LORAMIN!) If you see something that is inaccurate or can be improved, don't ask that it be fixed--just improve it. 21/01/2014 - Due to a planned power outage on Friday, 1/14, between 8am-1pm PST, some services may be impacted. Everquest Zone Leveling Guide. This guide covers zones up to Omens of War. How this guide works: Player Level refers to the "sweet spot" level range for the player to both gain good experience while still being able to be effective (landing spells/melee) This doesn't mean you must be between this level range. A lot of factors can go into a group or solo play. 1-300 Fletchin g Guide. 1 - 68.
